

FINN'EST MOBILITY PROGRAM

Participant's Behavior Rules

The Finn'est program is a **3 weeks training period**. For **3 weeks**, the main objective will be **to develop linguistic and cross-cultural skills**. Open-mindedness, empathy, and respect are the main qualities required from all participants.

A summary of the rules to be always respected

- 1- Show **respect** for the hosting family and school equipment
- 2- Be **punctual**
- 3- **Attend all lessons** as all of them are mandatory
- 4- Show **interest** and pay attention to all situations (at school and in the everyday life). All participants should be able to make a written or oral report when they'll come back in their country
- 5- **Wear proper and sensible clothes** on all other occasions

I hereby approve the above-mentioned rules and fully agree to comply by them.

I agree to follow the Finn'Est mobility program during the all duration and in its conditions.
