Find an accommodation - CASA

CASA is an accommodation website for students of all institutions of Université Paris-Saclay, on all campuses:

- The website lists all accommodation opportunities published by partners of Université Paris-Saclay: CROUS of Versailles and Créteil, public and private landlords, associations, companies and many types of accommodation (student residence, apartment, shared flat, homestay accommodation, against services...)
- The student receives support in the research for an accommodation depending on his/her profile and needs

Website: <https://casa.universite-paris-saclay.fr>

Email address: logement.etudiant@universite-paris-saclay.fr

Receive financial support - Klaro

Université Paris-Saclay gives its student access to the website Klaro.

Klaro gathers over 1,500 types of support (financial support, scholarships, food aid, transportation support, accommodation support, university fundings...) from the university, local and national organisations. This information is updated on a daily basis by the Klaro team.

In just a few clicks, discover the financial support you can get depending on your profile and follow the guidelines to get the indicated financial support easily.
