Who are we?

INSTITUT
FRANÇAIS

The French Institute of Finland is part of **France's diplomatic representation in Finland**. This network includes entities such as Business France, the Franco-Finnish Chamber of Commerce, and the Embassy of France in Finland. Active since 1968, we specialize in teaching the French language and culture.

We offer **tailored training programs** designed to meet the needs of businesses. Our courses, led by experienced teachers, provide a dynamic and effective approach to mastering the language and enhancing your company's competitiveness in French-speaking markets.

Beyond language courses, the Institute offers **a rich cultural program** throughout the year. Conferences, film screenings, concerts, exhibitions, and literary events shape our agenda, allowing the Finnish public to explore the diversity and vibrancy of Francophone culture.
